POSITIONING

Friday Attitude lies on the east coast of Mauritius in the peaceful fishing village of Trou d'Eau Douce. This cosy 3*+ hotel is a great choice for couples, families and friends. The vibe is fresh, contemporary and relaxed. Every day is Friday here!

Exotic plants surround the hotel, giving the space a laid-back island feel. Renovated in 2020, the 50 rooms are just steps from the beach – with 15 rooms specially designed for families. The beach is shaded by coconut trees and dotted with beach huts facing Ile aux Cerfs. Guests can expect white sands and a striking blue lagoon typical of Mauritius.

The happy days programme is a favourite with families, and little ones love the Ayo le Dodo kids' club, set right on the beach. The newly revamped WE Beach Bar, complete with a sand floor and swings, is a fantastic spot for oceanfront drinks. When it comes to dining, there are two restaurants and a street food cart serving authentic local dishes. Our All-In All-Out package has been designed so guests can enjoy many simple and happy moments together, included in the price. The caring staff, known as Family Members, also invite guests to get to know the real Mauritius by trying out some of the hotel's Otentik experiences.

3*+ HOTEL

Friday Attitude is part of Attitude Hotels' Positive Impact movement, creating a future where travel benefits all. Because of the hotel's continued efforts to care for the local community, protect the environment and support the local economy, Friday Attitude has been awarded a Travelife Gold certification. There is no single-use plastic in the guest journey, supplies and produce are local wherever possible. The hotel has also its own Bulk Shop, where guests can help themselves to tea and coffee for their room in reusable glass jars.

Positive impact

Now is the time for action. For positivity. To create a **future where travel benefits all**.

There is always room to grow, new goals to achieve, so Attitude Hotels has launched a **Positive Impact movement**. We're joining forces with our business partners and our guests to form a collective force for good.

OUR 3 COMMITMENTS

We protect
our environment

We support
the local economy

We care about the
local community

To commit ourselves is important, but to act is even better! We have removed **single-use plastic** in our guest experience, and introduced a **Bulk Shop** so guests can help themselves to tea and coffee for their room in reusable glass jars. We use **seasonal and locally-grown produce** for our dining wherever possible; and only offer **non-motorised watersports** for a peaceful and marine-friendly experience.

We also encourage guests to learn about the island's culture through our **Otentik (authentic) experiences**. This could be having dinner with a local family; meeting locals in fishing villages where time seems to have stood still; or discovering the eclectic street food scene in the capital of Port Louis.

When our guests relax in their Attitude hotel, they can unwind in beautiful spaces with furniture and decorations made right here on the island, **helping support our local economy**.
